Masters in video production and sound design.

De Montfort University 1997-2000
Media production BA.

Skills Great communicator, diplomatic but to the point. Excellent in a crisis, but fundamentally a planner to avoid all possible problems during shoots/edit. Experience on location, with the public and in challenging environments.

Software - Final Cut X, The Creative Suite, and Logic pro X.

My great loves are music and travel, I gig regularly in London and the Midlands I produce my own music and videos. Lead singer with the bands SANS and The Red Bears. <https://soundcloud.com/sally-hossack>

I am an advanced Nitrox Scuba Diver, and a keen and active photographer.
